We are licensed for both indoor & outdoor ceremonies

Ceremonies take place in our beautiful Gazebo in our private landscaped garden

If the weather prevents an outdoor ceremony we have our stunning oak framed barn which is also certified

We do not charge to host your Ceremony with us, however the Registrar fees will need to be paid directly to the KCC

We will put all the information on their database for you

Drink Package

Welcome Drink Choose from a glass of Pimms, or a range of cocktails, maybe a bottle of beer for the men.

Table Wine We have a great range of wines available, however a bottle of Red and White house wine per table is included in our package

Toasting Drinks Usually a classic chilled flute of our House Prosecco is served for the speeches, however if you prefer something different we can arrange this

We have non-alcoholic alternatives for children and non drinkers

OUR FOOD

During your drinks reception enjoy a selection of our canapes to wow your guests and get their taste buds ready for the Wedding Breakfast

We can serve up a 3 course Wedding Breakfast, or maybe you would prefer a Hog Roast or BBQ. All are cooked and served by our in-house chefs and delivered to you by our dedicated staff.

To finish the evening off we offer a finger buffet or why not have a bacon or sausage sandwich. We can even do a simple BBQ if that is what you would like.

We pride ourselves in accommodating dietary requirements
